BIO-500/1000 Area Ultraviolet Air Purifier

EFFECTIVE FILTER-LESS AIR PURIFICATION

Ideal for one room or open areas in an apartment, condo, small to mid sized area or manufactured homes and offices up to 1000 sq. feet. Indoor areas are so susceptible to bacteria and viruses, but you can lessen chances of infection and illness by keeping the environment as hygienic as possible. Along with illness, indoor environments can also contribute to allergies and asthma. This system destroys Dust Mites, Mold, Pollen Formaldehyde, Influenza, Bacteria, & over 50 other Hazardous Contaminants in small areas from 500 to 1000 square feet.
